

# Help Needed!

We are looking for a very talented member of our school community who could make a mud kitchen like these featured below. We are updating our nursery area and would love something like this for our nursery children to use! Please contact the school office if you think this would be something you could willingly make and donate.

Thank you in advance!

Mrs Hodgkinson

## Donations Welcome!

We would really love any toy donations that are in a good condition (car garages, castles and any other small world items!)

Kitchen utensils, pots or pans would also be really useful to use in the mud kitchen area!

Please take any donations to the nursery door at the start of the day. Thank you!
