Information for Parents: Reading the digraphs with your child

Some sounds taught in Read Write Inc. Phonics are made up of two letters, e.g. 'sh' - these are called 'digraphs'. This video tutorial shows you how to help your child read the digraphs at home.

Information for Parents: Spelling

Read Write Inc. Phonics uses a method called 'Fred Fingers' to help children recognise how many sounds are in a word. This helps them to break down the word into the sounds so they can spell it accurately. This video tutorial will help you to support your child to practise spelling at home.

Information for Parents: Reading the bouncy sounds with your child

When we teach a sound with Read Write Inc. Phonics, we either 'bounce' or 'stretch' them when we say them out loud. This video tutorial shows you how to help your child read the 'bouncy' sounds at home.

Information for Parents: Sound-blending

'Sound-blending' describes how children learn to join sounds together to make words with Read Write Inc. Phonics. This video tutorial will help you support your child to practise sound-blending at home.
